PRESS RELEASE - FOR IMMEDIATE RELEASE

SXSW Music - Where the Global Community Connects

SXSW Music Announces Full Artist List and Artist Conversations

March 10, 2016 - Austin, Texas - Every March the global music community descends on the South by Southwest® Music Conference and Festival (SXSW®) in Austin, Texas for six days and nights of music discovery, networking and the opportunity to share ideas. To help with this endeavor, SXSW is pleased to release the full list of over 2,100 artists scheduled to perform at the 30th edition of the SXSW Music Festival taking place Tuesday, March 15 - Sunday, March 20, 2016. In addition, many notable artists will be participating in the SXSW Music Conference.

The Music Conference lineup is stacked with huge names and stellar latebreak announcements. Catch conversations with Talib Kweli, NOFX, T-Pain and Sway, Kelly Rowland, Mark Mothersbaugh, Richie Hawtin, John Doe & Mike Watt, Pat Benatar & Neil Giraldo, and more. All-star panels include Hired Guns: World's Greatest Backing Musicians (with Phil X, Ray Parker, Jr., Kenny Aranoff, and more), Smart Studios (with Butch Vig & Steve Marker), I Wrote That Song (stories & songs from Mac McCaughan, Matthew Caws, Dan Wilson, and more) and Organized Noize: Tales From the ATL. For more information on conference programming, please go [here](#).

Because this is such an enormous list of artists, we have asked over thirty influential music bloggers to flip through our confirmed artist list and contribute their thoughts on their favorites. The 2016 Music Preview: the Independent Bloggers Guide to SXSW highlights 100 bands that should be seen live and in person at the SXSW Music Festival.
