South by Southwest® (SXSW®) Expands 2015 Music Gear Expo

Austin, Texas - February 19, 2015 - The SXSW Music Gear Expo will return to the Austin Convention Center on Thursday, March 19 - Saturday, March 21 from 11 a.m. - 6 p.m. in Exhibit Hall 5 and is open to registrants, showcasing artists and the general public with a free Guest Pass available in advance or onsite.

Now in its sixth year, the SXSW Music Gear Expo has become a destination for musicians, buyers, gear and tech aficionados. This year's expo features the addition of the John Lennon Educational Tour Bus and the interactive Synth Space.

Showcasing at SXSW for the first time, the John Lennon Educational Tour Bus (Lennon Bus) is the premier, non-profit mobile Pro-Audio and Video recording studio and production facility. The Lennon Bus will be located inside the SXSW Music Gear Expo as a featured stop on the 75th Anniversary Tour in celebration of what would have been John Lennon's 75th birthday. During the Expo, the Lennon Bus will showcase the latest music and audio products, offer exclusive tours, demos and product giveaways as well as select artist sessions.

Synthesizer enthusiasts will be thrilled at the addition of the Synth Space, which features new and exciting innovations by top brands such as Novation and Korg. Or if electronics are your thing, come see ground-breaking new music technology at the Music Gear Expo App Annex. This designated space within the Gear Expo is devoted solely to the world of digital music-creation and virtual instrument apps, allowing users to interface with everything from virtual guitars, keyboards and drums to mixing and DJ software.

Other top attractions include The Shred Shed Presented by Paul Reed Smith Guitars, which allows players to turn it up to "11" in an isolation booth stocked with PRS guitars and amps; and The Deli StompBox Exhibit. This interactive guitar pedal showcase gives attendees the ability to plug in and play hundreds of pedals from the industry's top manufacturers such as Dunlop, Strymon, T-Rex, TC Electronic, Seymour Duncan, SolidGoldFx, Red Panda Lab, Mod Kits DIY, Darkglass Electronics and more.

Musicians will be able to have their guitars worked on by a professional onsite technician, purchase strings, drum heads and any other last minute performance needs from the Gear Expo Store by Strait Music.

Exhibitors at this year's Music Gear Expo include Sweetwater Studios, Bohemian Guitars, Wunder Audio, Taylor Guitars, Propellerhead, Telefunken, Hammond, Hungate Cases, Square Amps and more. For a complete list of exhibitors please visit [<http://sxsw.com/exhibitions/music-gear-expo/exhibitors>].
