PRESS RELEASE
 FOR IMMEDIATE RELEASE

SXSW Music- A Place for Discovery

March 12, 2015 - Austin, Texas - Music discovery is at the heart of the South By Southwest (SXSW) Music Festival and is one of the primary motivating forces that attracts registrants year-after-year. With that in mind, SXSW is releasing, by popular request, the full list of bands scheduled to perform at the 29th edition of the SXSW Music Festival taking place Tuesday, March 17 - Sunday, March 22, 2015. The list contains over 2,200 artists that are scheduled to perform.

Since this list could be a bit overwhelming, over 25 independent music bloggers put together a guide of up-and-coming SXSW Music showcasing artists that shouldn't be missed. The 2015 Music Preview: the Independent Bloggers Guide to SXSW highlights 100 bands that should be seen live and in person at the SXSW Music Festival. To check out the guide, please go to: <http://sxsw.com/music/preview>.
