Sustainability Efforts

- Recycle cardboard from shipments & arrange for supplier to re-use the cardboard
- Ask suppliers to reduce packaging
- Use of latex paints
- Use refillable containers (spray bottles) for cleaning supplies rather than disposable containers
- Replace aerosol cans with spray pumps when possible
- Use paper products with recycled content
- Reuse pallets or return to the supplier
- Towel program
- Sheet program
- Alternative energy
- Water saving showerheads
- Water saving toilets
- Compact fluorescent lighting
- Newspaper recycling for guests
- Hotel recycling bins
- Donation of used furniture, carpet and equipment to charity
- Purchase food from local suppliers
