

2013 | Todd Slater

Operating out of a converted garage studio on the outskirts of Austin, Texas, poster artist Todd Slater is as prolific as he is piercingly inventive. Todd is best known for his highly collectible rock and movie posters. He has created hundreds of posters featuring music industry's hottest acts, including The White Stripes, The Foo Fighters, Radiohead, and The Killers. His movie posters include *The Big Lebowski*, *Star Trek*, *Jurassic Park*, *Evil Dead 2* and *Repo Man*.

ARTIST STATEMENT:

"As of late my work has featured illustrations of animals coded in metaphors relating to human behavior. My thought here was to compare a comedian to a poison dart frog. I imagine comedians to be shooting a kind of verbal poison dart with their words. A typical night in Austin during SXSW could be compared to a rainforest filled with the nocturnal choir of these multicolored frogs." — toddslater.net/
